[About Us](#)

Looking for a web site? See what we can do for you!

3rd Row Designs is full service web design company and we use our knowledge and expertise to create the web site you want. Our job isn't done until you are satisfied. We specialize in custom designed web sites that meet your specific needs and we offer options for potential customers who do not need a custom site.

All that we can do for you is listed on our [services page](#) so take a look and you will know we put our customers first. Then visit our [Portfolio page](#) to see our designs-they are individualized and reflect the wishes of our customers. There is [information](#) on this site to help you decide if you want us to be your web design company. You won't be disappointed if you [contact us](#).

We are please to offer [starter web sites](#) for a quick web presence at less money. Take a look at our starter web site [designs](#).

We:

- enjoy giving you a great customer experience. We want our process to be fun so that "getting" your web site will be a rewarding experience.
- are excellent communicators-you know what is happening at every step.
- are prompt, honest, and hard working.
- take pride in our web site designs and your satisfaction.
- have a full menu of service and we are willing to stretch to give you what you want. Visit our [Services](#) page to learn more.

Take a look at our web site designs.

Here are two of the web sites we have designed. To see our complete portfolio visit our [portfolio page](#).

[Contact us](#) any time to discuss your ideas-there is no obligation.
